

Invited and accepted contributed papers will be published in a special issue of Acta Physica Polonica A (APPA). The papers will be subject to a review procedure of APPA. The prepared manuscripts should not be in camera-ready format.

Manuscripts (original + 1 copy + electronic version on CD) written in English and Copyright Transfer Form (see below) should be delivered to the conference office on the first day of the conference (i.e. **Monday**, June 22, 2009).

Papers of plenary talks must not exceed 30 000 characters. Papers of 30 min. long invited talks should be restricted to 18 000 characters. All other contributed papers must not exceed 12 000 characters. These values include the title of paper, authors' list with their affiliations, about 250 characters long abstract, PACS numbers, key words and reference list. Figures and tables should be positioned within the text. One figure without caption is equivalent to about 1300 characters. Symbols on figures should be well-readable after reducing the size of figure to 8.5 cm width.

The text should be prepared using Word Editor format (.doc) with 12 point fonts and double spacing and printed on A4 paper format with 2 cm margins.

Papers can be colour printed at extra cost 400 zł per page paid by author. Internet version of paper will be colour published and reproduction for personal use without extra costs will be allowed.

The APPA guide to authors of papers should be omitted in papers adopted by this conference.
